Thanks Stephanie, the Region and OGC have gone through about a dozen revisions today, but I think we've settled on mutually-agreeable language. Right now, OGC leadership is having a look and I'll send out a revised version after we hear from them.

For enclosure 1 p4/enclosure 2 p. 29, language inserted in redline. Can we say something like:

Deliberative Process / Ex. 5

Fotouhi had one suggested addition. Can you take a look at my proposed changes in the attached documents and let me know what you think?

Thanks,
Tom

Hi all,

I just ran into John Goodin and he talked to Anna and was told that we are good to go from their end. She just wants OGC's ok on the OA rationale piece. She didn't need review of the rest, just the OA. So...Tom, if you can follow up on that end and let me know if you need anything else, I think we can get this puppy outta here 😊 Thanks.
